デストロイ and レボリューション

Destroy and Revolution

Chapter 69. Makoto's Choice

TL/N Certainly dumber than Sophie's.

森恒二

MORI KOUJI

WARNING

Felt font notes - read at your own peril!

For those who don't know, Felt font is the script used to compose this message.

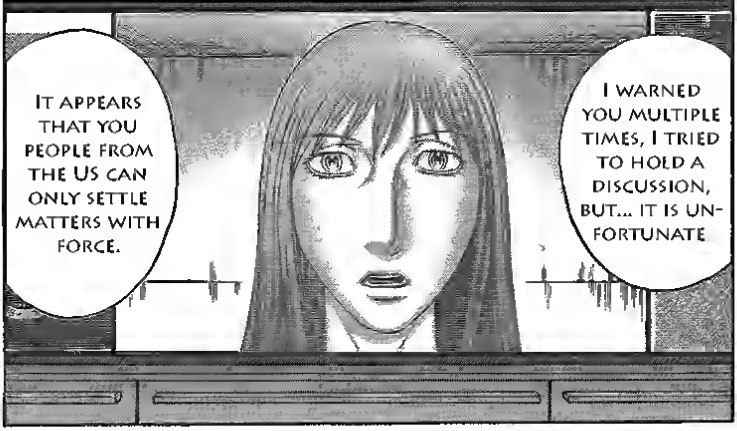
Notes that explain concepts in the text and translation issues come in Trebuchet or another very legible font.

But I also like writing sarcastic notes and pure rants in this series. Some of them may be rude towards it. Don't read them if you don't like this kind of note.

Don't ask me to suppress the notes, please. Complain in comment sections if you want, but the notes stay. Full stop.

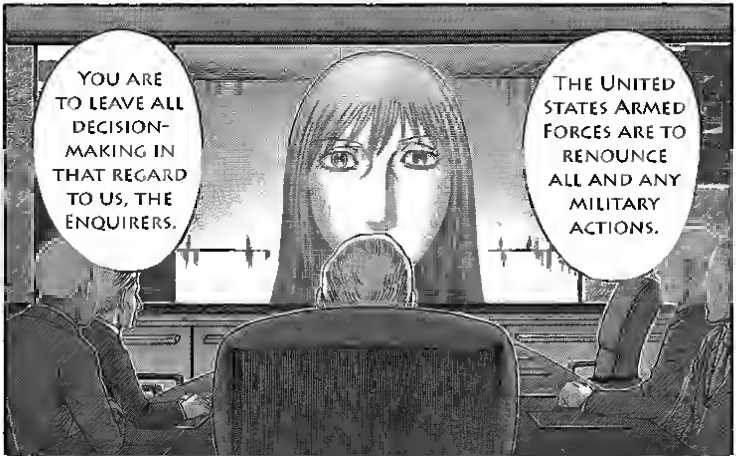
Thanks for understanding.

Wraith.



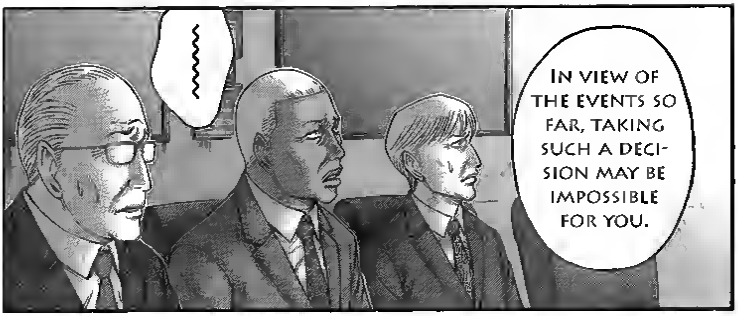
It appears that you people from the US can only settle matters with force.
I warned you multiple times, I tried to hold a discussion, but... it is unfortunate

.....
This is my final recommendation.

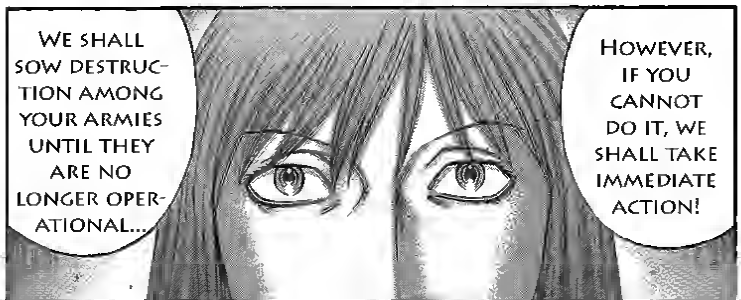


You are to leave all decision-making in that regard to us, the Enquirers.
The United States Armed Forces are to renounce all and any military actions.

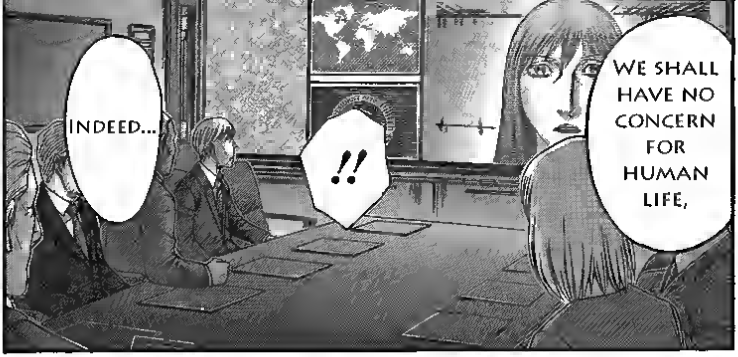
YOU ARE TO ANNOUNCE IT TO THE ENTIRE WORLD WITHIN 24 HOURS.
.....



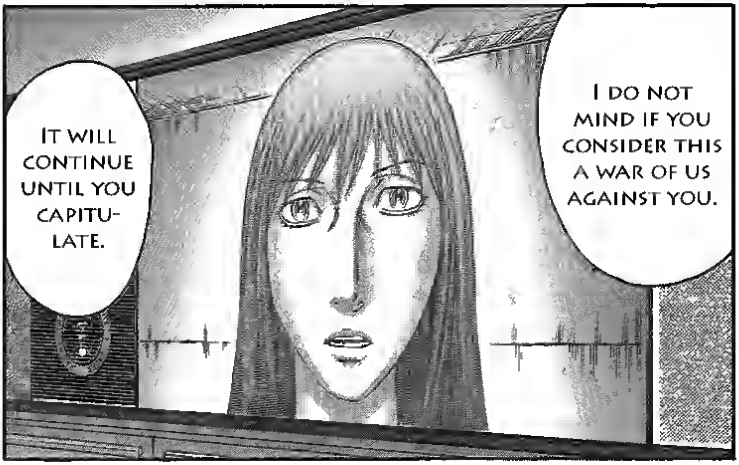
IN VIEW OF THE EVENTS SO FAR, TAKING SUCH A DECISION MAY BE IMPOSSIBLE FOR YOU.



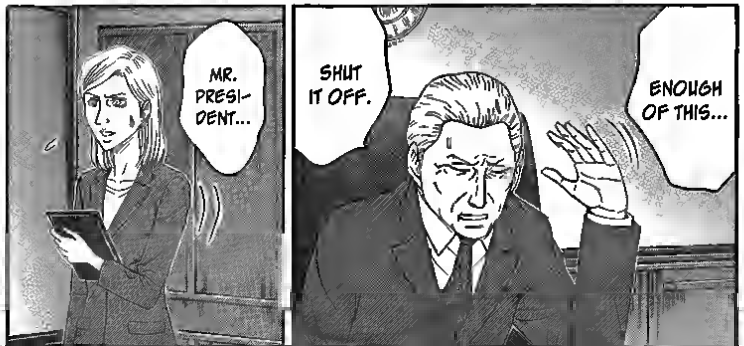
WE SHALL SOW DESTRUCTION AMONG YOUR ARMIES UNTIL THEY ARE NO LONGER OPERATIONAL...
HOWEVER, IF YOU CANNOT DO IT, WE SHALL TAKE IMMEDIATE ACTION!



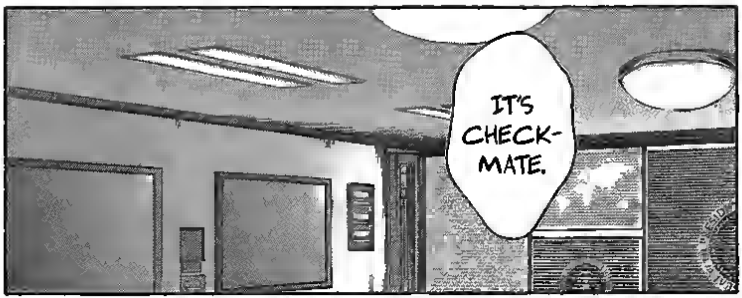
INDEED...
!!
WE SHALL HAVE NO CONCERN FOR HUMAN LIFE,



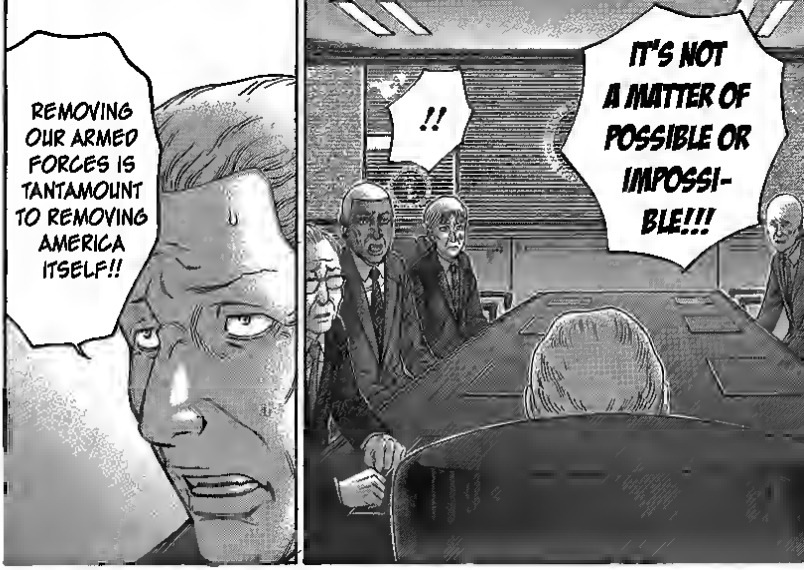
IT WILL CONTINUE UNTIL YOU CAPITU-LATE.
I DO NOT MIND IF YOU CONSIDER THIS A WAR OF US AGAINST YOU.

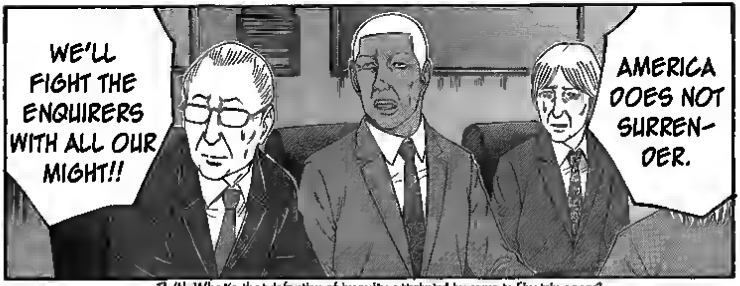


MR. PRESI-DENT...
SHUT IT OFF.
ENOUGH OF THIS...

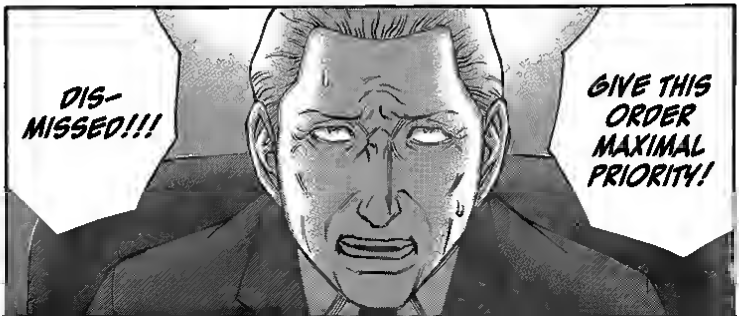


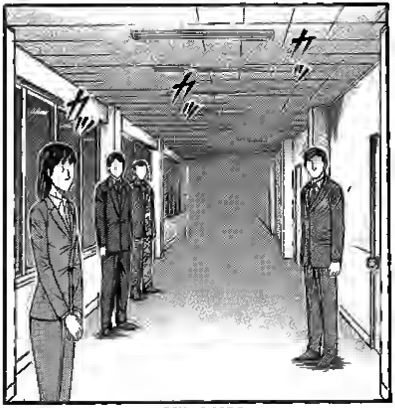
TL/N: Yeah, I'm sure the author will come up with some nonsense involving unmakable logician Irvald, Malcorb of unfinished sentences and whatshernname glasses rep.





TL/N. What's that definition of insanity attributed by some to Einstein again?



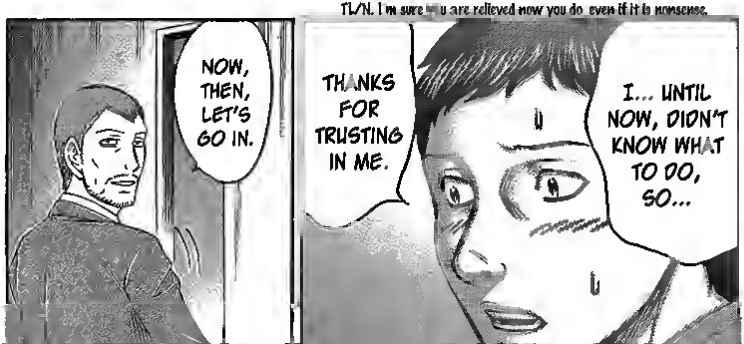


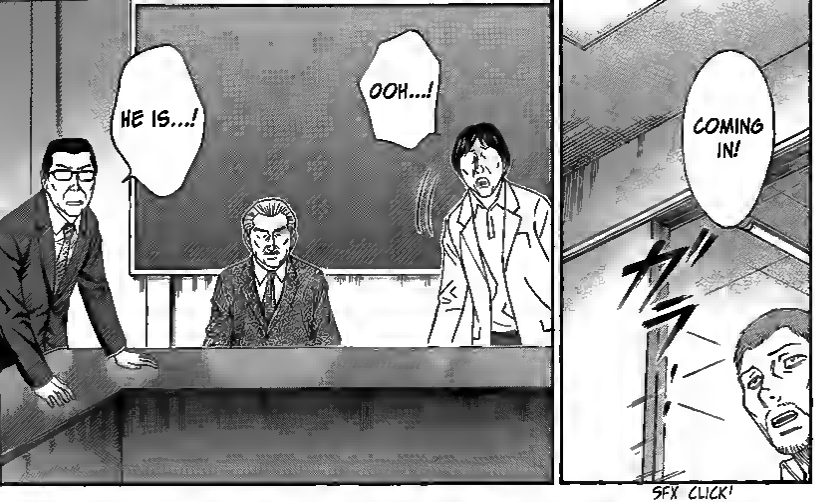
SFX STEPS

SFX STEPS

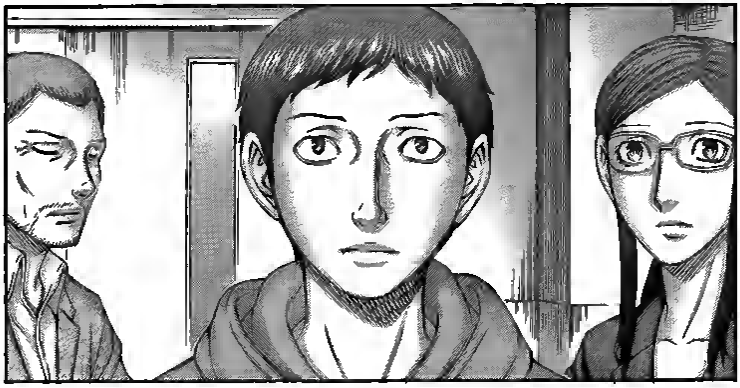
TS/N: Wait how can you guarantee the safety of literally anybody when the people you're defending from can fucking teleport into places?

TL/N: I'm sure u are relieved now you do, even if it is nonsense.

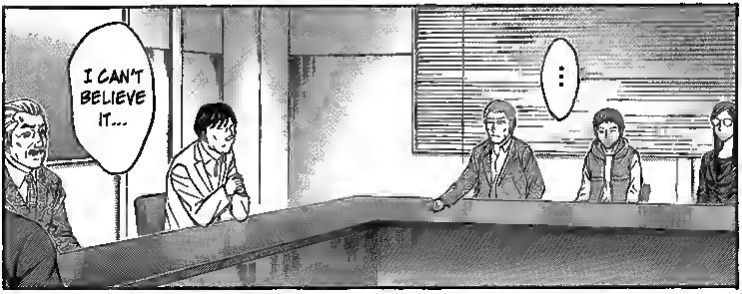




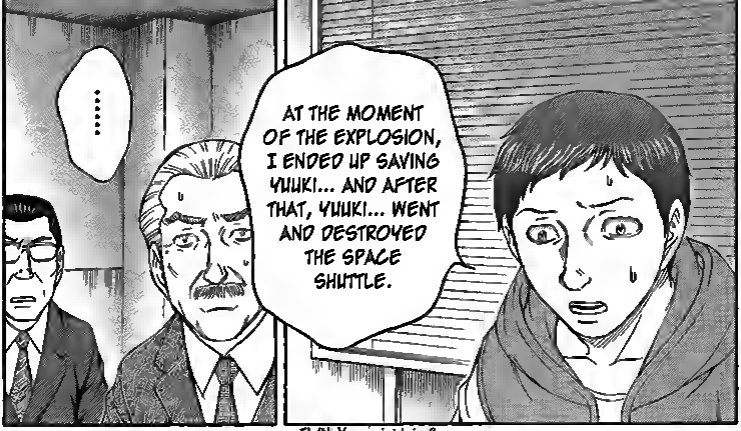
HE IS...!
OOH...!
COMING IN!
ガラ
SFX CLICK!



TARGET... B...
IS THIS... FOR REAL...

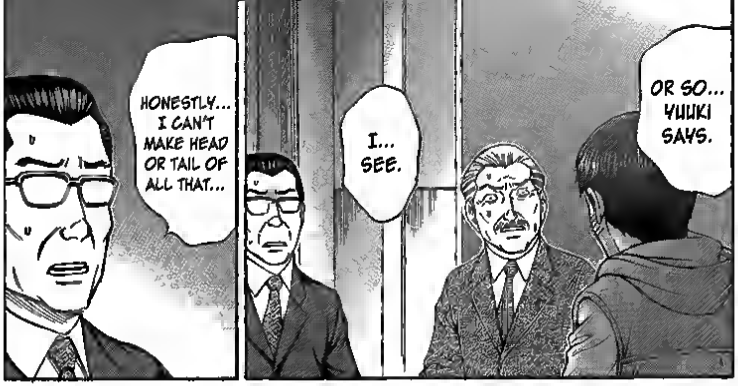


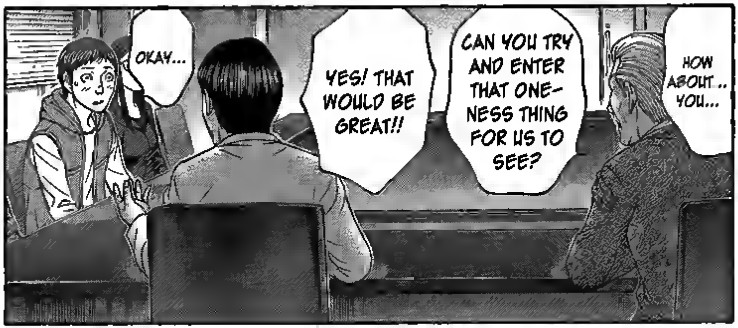
TL/N: Now what's wro- with this sentence?



TL/N. Your point being?

TL/N Dehumanising much?
TS/N Naw, can t you see the guy s brimming with optimism?

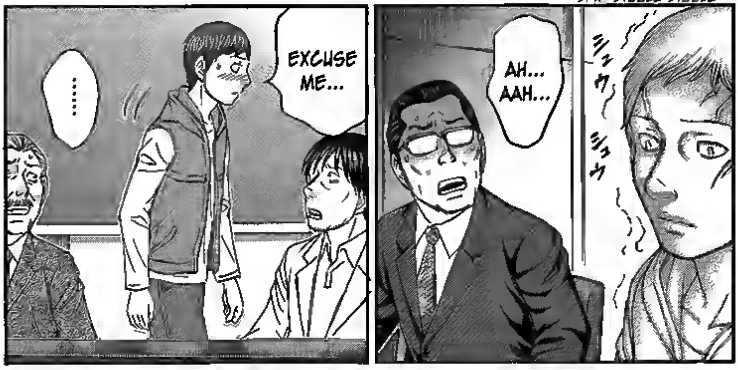


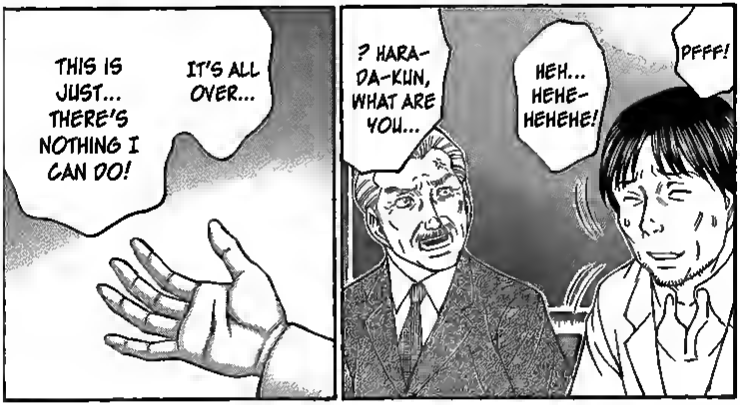


TS/N Oh [illegible] Somehow decided to [illegible] just from earlier. How nice of [illegible]

SFX CRACKLE!,

SFX SIZZLE SIZZLE



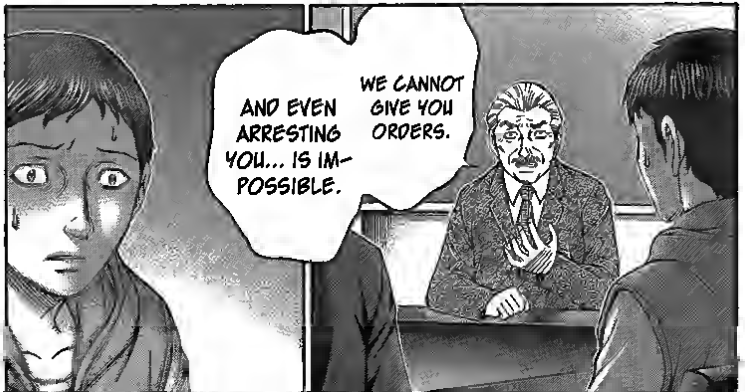


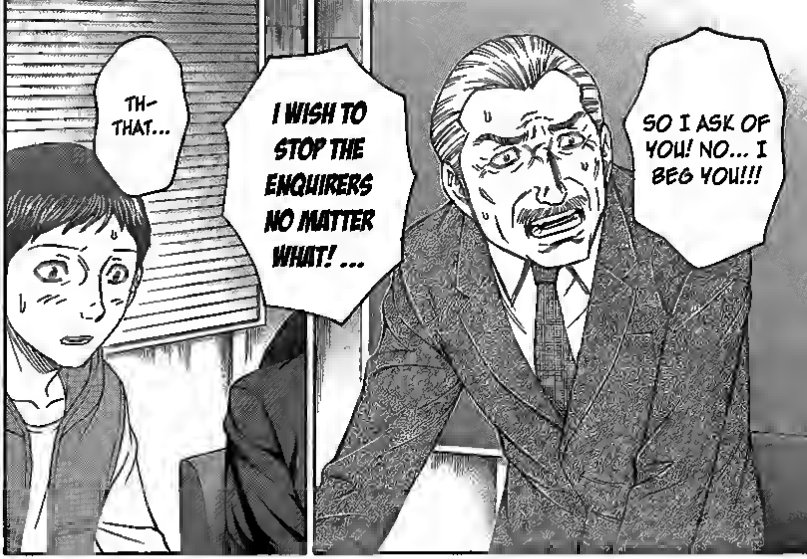
TL/N: Of my patience, too.

TL/N: That depends on who is doing the forgiving. Just sayin

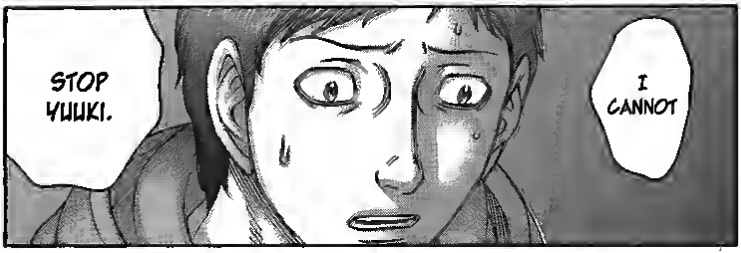
TL/N: At this point readers are referred to chapter 60. And I need something alcoholic.

TL/N: Wait there's something wrong here.. I don't even.



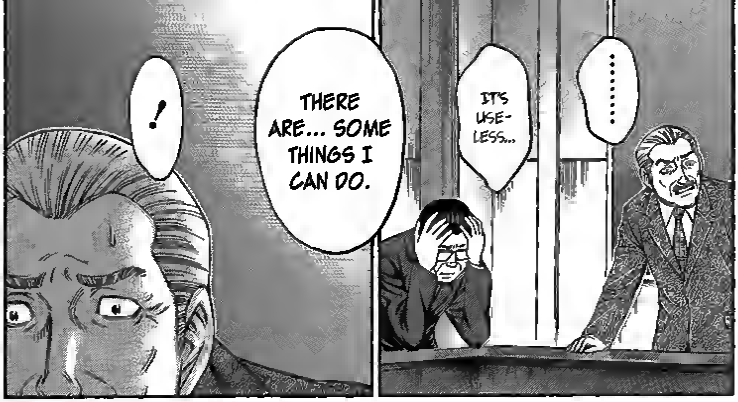


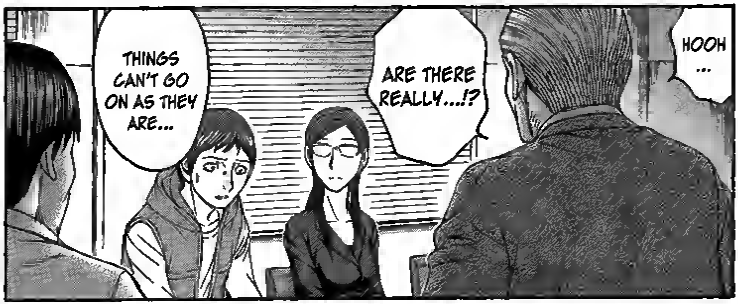
TH-THAT...
I WISH TO STOP THE ENQUIRERS NO MATTER WHAT! ...
SO I ASK OF YOU! NO... I BEG YOU!!!



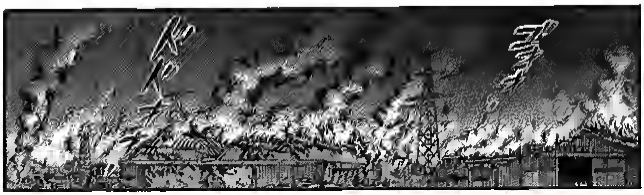
STOP YUUKI.
I CANNOT

I COULDN'T DO IT.
HE SAID "THERE'S NO WAY TO STOP ME OTHER THAN BY KILLING ME". AND...





Now pause here and ponder what this foul is saying. "I can't kill him, but I don't mind if he dies indirectly?" Come again? That's the textbook definition of... unwarranted hypocrisy! This mangaka has decided that an anti-plot and an anti-argument aren't enough. he has decided to go where author's youthfully fear to tread and come up with an anti-protagonist!!! WHAT THE HELL?!



SFX: FIRE AND EXPLOSIONS

TL/N: My sanity gave a long time ago. And I still have eight chapters of this codswallop to go.

TL/N: That leaves... just 360 or so, according to Wikipedia, give or take a few. By ten people. Does this mangaka even know how to count?

Redrawer needed for Sprite*!*

I won't mince my words: ***Sprite***, with its combination of hand art and CG, plus the use of photographs to generate backgrounds, is one the hardest series for redrawing. Only aces among aces can do it. It has few redraws per chapter, but most are double spreads that need to be joined and extremely hard and time-consuming. Essentially, if you can redraw ***Sprite***, you can redraw anything in B&W that may be thrown at you.

We cannot accept anything less than someone who passes our full test, including the extra difficulty pages, with flying colours: https://goo.gl/qfnsc6

(You can post your application in our home page in the Join Us section - deathtollscans.net - or PM me there or in Batoto (where my name is Kendama). Whatever. If you have the skills, we're willing to abide by your conditions.)

We can also make an exception and let you bypass the test if you are experienced and show us sample PSDs (retaining the unredrawn layers) of your past work. However, that will only cut it if those samples are nothing short of extraordinary. If our jaws don't drop, we'll ask you to take the test.

It took us months to recruit the previous redrawer, so don't expect new releases of this series for a while, unless we're very lucky.

The Internet, October 08, 2016,
